LOGICAL MATHEMATICAL (NUMBER SMART)

I remember things better if I write them down	
When I think of spellings I picture in my head	
I have to look at someone when they speak to me	
I find it difficult to concentrate when there's a noise	
I like looking at maps and pictures	
I am not very good at remembering jokes	
I like to doodle and make notes when I learn something new	
I am good at thinking of ideas in my head	
I remember people's faces	
I like to make lists	
When I get a new idea I like to write it down or draw a picture	
I learn a practical skill best watching someone to do it	
I love doing crosswords and word searches

MUSICAL RHYTHMIC (MUSIC SMART)

Under the Sea

Under the sea
The seaweed is always greener
In somebody else's lake
You dream about up there
But that is a big mistake
Just look at the world around you
Right here on the ocean floor
Such wonderful things surround you
What more is you lookin' for?

Under
the sea

Under the sea
Darling it's better
Down where it's
wetter

Take it from me
Up on the shore they work all day
Out in the sun they slave away
While we devotin'
Full time to floating
Under the sea

Down here all the fish is happy
As off through the waves they roll
The fish on the land ain't happy
They sad 'cause they in their bowl
But fish in the bowl is lucky
They in for a worser fate
One day when the boss get hungry
Guess who's gon' be on the plate

Chorus.
