

## Szkoła Podstawowa im. Józefa Lompy w Lubszy, Poland

Our school is located in the south part of Poland in Silesia region. Lubsza is a small, picturesque village with fields and meadows.

There is an old church in Lubsza with beautiful paintings on the walls. Primary School in Lubsza consists of a pre-school group and a primary school (six classes). All students take part in the cooperation with other partners. Teachers involved in our project intend to improve their professional skills as well as help students to study more efficiently.
